Doc Congress is specialized in planning and organizing Medical Congresses and Events in the Medical and Scientific field.

As ECM Provider (rif. N. 7570/8323), we realize and accredit ECM events, Communication Projects, Education and Refresher Courses addressed to Medical and Scientific Communities only.

We count on a high qualified and motivated multilingual team whose capabilities, thanks to their different background, range from planning skills and medical/scientific proficiencies to communication and marketing competences, logistic and organizational abilities.

All our efforts are devoted to guarantee to our clients a high, reliable, flexible, accurate and effective service which is always focused on their needs, objectives and vision.
